How does Lemonade Day work?

Once a child has registered for Lemonade Day, they will then be notified about dates and locations for Lemonade University in their area.

At University each child receives a backpack with an Entrepreneur Workbook where they learn the lessons of Lemonade Day. Our facilitator will guide them through the workbook where they will learn skills like creating budgets, setting profit-making goals, serving customers, repaying investors, and giving back to the community.

After attending Lemmy U kids will build their Lemonade Stand, create their lemonade recipe, pair with a local business for a stand location and put all their Lemonade University lessons to work.

Then on June 14, 2025 all participants will set up their Lemonade Stands in participating towns and try their hand at running their own business. On that day they also participate in their area's "Best Lemonade Stand Contest", Best Tasting Lemonade Contest and "Best Entrepreneur Contest". Each contest has a \$100 Prize.

Kids who participate in Lemonade Day keep all the profit their stands make, but the program encourages them to save some, spend some and share some.

Once Lemonade Day is over kids can then enter their business results on the Lemonade day Northern Alberta website and they will be entered to WIN a New Bike.
